

Your Top Shop: If you've got a roadster body, we've got a superior top!

New Year, New Approach

At Superior Car Parts Inc we're excited about 2010. Our motto in 2009 was "Shine in '09" and we plan to "Do it again in '010." Last year we introduced our custom-made 3" chopped Folding Top with 3" stanchion posts. *This year we're expanding our production to custom design and craft of all types of tops for all roadster bodies. Send us your body specs and we'll custom design and build you a superior top.*

Last year we also introduced our monthly newsletter and our *Facebook* page. *This year we're adding a section in our newsletter and on our Facebook page called Superior Topics. We'll bring you product information, demonstrations, FAQs, news video clips, car shows, events, and car stories—our favorites.* So join us as we hit the road in '010. Join our Facebook group or sign up for our newsletter as we continue to handcraft beautiful car parts for your cars.

Enjoy the ride!

Send us your stories, photos, and feedback; we want to hear from you

Superior Car Parts Inc places the utmost importance on providing top-quality top irons, fender braces, and other car parts for your antique cars. How do we ensure your car parts are superior? We ask you—our customers, wholesalers, employees and others about their experience. We welcome letters, photos, and emails. Got a car story? We'd love to hear it. Consider writing or emailing feedback to:
