What's up the road?

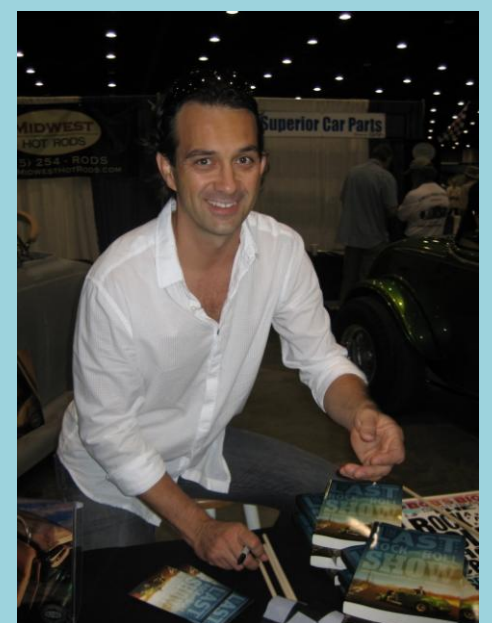

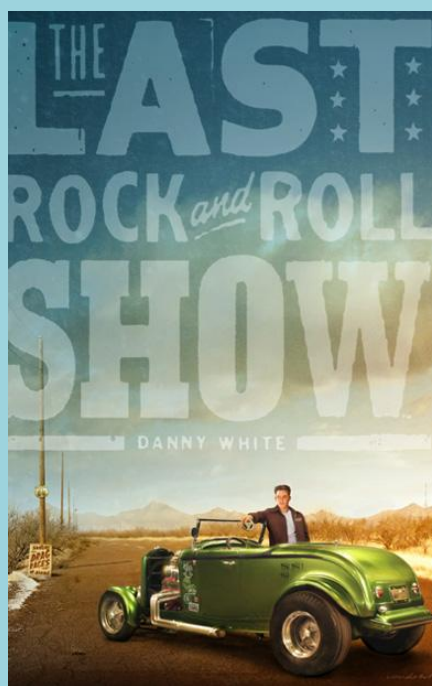

At Superior Car Parts we're excited about 2011. We're looking forward to new designs and projects, partnerships, friends, opportunities, and ideas. We're also looking forward to working with you on your projects. We welcome letters, emails and photos about your car projects. Got a good car story? Tell us and we'll try to use it in our newsletter this year. (Left photo: Superior Car Parts at the Beller Museum in Chicago)

Spring's around the bend

How about a road trip to Chicago during spring break to meet Danny White, author of *The Last Rock and Roll Show*? The spring book signing dates are March 4-6, Chicago World of Wheels, Stephens Convention Center.

Danny's book features GearTV host Stacey David's *Rat Roaster*, a 1932 Brookville Ford Roadster. Fans were able to meet Danny and Stacey at the Superior Car Parts booth in Louisville at the 2010 Street Rod Nationals. The rat green *Rat Roaster*, pictured on the book cover, was parked in Superior's booth as well. SCPI handcrafted the top irons for the car.
