1932 custom-made 3" Superior Car Parts Inc folding top iron debuts

Superior Car Parts Inc debuted the new 3" chopped top with a fully polished stainless steel top iron with oak wood bows at the 2009 National Street Rod Association show in Louisville. The 1932 Ford Roadster at the Superior Car Parts Inc NSRA booth showed it with a simple canvas half top to demonstrate the roadster lines. Mike's Upholstery, Plainfield, Illinois, completed the finished canvas top with tack strips and back window.
